Carrer De Sor Eulàlia D'Anzizu, Barcelona, Spain 08034

## PROFESSIONAL SUMMARY

I've always been a very ambitious and hard working person, this is why I am currently studying a double bachelor degree. I consider myself to be very hard-working and passionate with what I do.

## SKILLS

Exceptional **time management** , given the fact that I'm currently studying a double degree. I consider myself to be very **hard-working** , I do not tire easily and I will not stop the work until what I planned to do is finished. **Confident** person with the ability to communicate with security.

Attended multiple soft skills trainings, including **motivation, communication, delegation, project monitoring, leadership, etc.**

Expertise on a wide range of programming languages, such as **C, C++, Python, JavaScript, SQL, Java, Haskell, Prolog, etc.**

## WORK HISTORY

**BACKEND DEVELOPER** 07/2018 to 09/2018

**Goin | Barcelona, Spain**

- Worked together with the rest of the development team to implement and document backend microservices of an app using TypeScript and Python.

**INTERNSHIP** 07/2017 to 09/2017

**HP | Sant Cugat del Vallès, Spain**

- Developed and documented a testing tool for backend server-frontent-printer communication using Python.

## EDUCATION

**Bachelor Degree** | Informatics Engineering 2020

**Universitat Politècnica De Catalunya, Barcelona, Spain**

8.11 average grade.

**Bachelor Degree** | Telecommunications Engineering 2020

**Universitat Politècnica De Catalunya, Barcelona, Spain**

7.9/10 average grade.

**Technological Baccalaureate** 2015

**Escola Betània Patmos, Barcelona, Spain**

- Graduated with 9.73/10 final grade.
- 13.32/14 on the University Access Exam.

## ACCOMPLISHMENTS

Entered **CFIS (Centre de Formació Interdisciplinària Superior)** in 2016 which pays for my second degree in university.

**Premi Extraordinari de la Selectivitat (2015):** For getting more than a 9/10 in the general part of the University Access Exam I received a special mention.

**Graduated with honors from bacallaureate (2015),** which paid for my first year of university.

**Recipient of University Aid scholarship (2015)** from "Fundació-Catalunya-La Pedrera" due to my good grades during Bacallaureate and at the University Access Exam.

**Secretary General of a simulated MUN (Model United Nations) in school (2014):** Ten other students and me voluntarily organized a Model United Nations for the students of 4th of ESO.

**Scholarship to participate in MUNOG (Model United Nations of Goldberg) 2013 in Sindelfingen (Stuttgart, Germany):** This is a simulation of a United Nations conference and I was acting as the ambassador of Guatemala in the Security Council, debating on the topic of the Syrian Conflict.

## LANGUAGES

**First Certificate in English** (Obtained in December, 2012). Mark: 78%

**Certificate in Advanced English** (Obtained in March, 2014). Mark: 84%

**Certificate of Proficiency in English** (Obtained in March, 2015). Mark: 219

**DELFL** (A2, French). Mark: 98%

**DALFL** (B1, French). Mark: 89%

## AFFILIATIONS

**Former federate player of BM La Roca.** I played handball since I was 3 years old up until 2017. I believe taking part in team sports aids you toward truly teamworking in the future.

**Member of university student organization BEST-UPC** (Board of European Students of Technology). An association which offers students complementary education and aids them in acquiring a more international mentality. During my stay in this association I have had many different responsibilities:

- **Participants Responsible of Autumn Course 2017** : each year we organize a course on technology which students from all over Europe attend and I was the main responsible for their wellbeing and all social activities during the course.
- **IT Coordinator 2017-2018** : in the association we have different departments to separate the work we do during the year and I was responsible for coordinating all the IT team.
- **Main Organizer of Autumn Course 2018:** I had to coordinate all the different responsibilities of the course and make sure everything went according to plan.
- **Treasurer 2018-2019:** I am currently the treasurer of the association, I am responsible for the balances of our accounts, declaring taxes, budgets, etc.

**COMPLEMENTARY  
EDUCATION**

**5th of Intermediate Degree: Piano** . I attended weekly piano lessons for 12 years in the music school of Escola Betània Patmos.

**4th of Intermediate Degree: Music Education** . I attended two weekly hours of music theory for 12 years.

Attended a **10-day course on robotics in Warsaw** organized by the student organization BEST (1.5 ECTS). (July 2016)

Attended a **10-day course on Android Development** in Barcelona organized by the student organization BMA (2 ECTS). (January 2017)

Attended **ACM International Collegiate Programming Contest Bootcamp** in Harbour Space University (Barcelona, January 2017). It was a preparation for the actual programming contest.

Attended **small course on Machine Learning** offered to CFIS students (February 2017).

Attended a **10-day course on 3D Printing in Ghent** organized by the student organization BEST (1.5 ECTS). (July 2017)
